A beef burger is a mouthwatering culinary delight loved by millions around the world. It consists of a savory patty made from ground beef, topped with melted cheese, pickles, and herbs. Cooked to perfection, the juicy beef patty is usually nestled inside a soft bun, making it a handheld indulgence. Beyond its rich taste, the beef burger has become an iconic symbol of fast food culture, transcending borders and becoming a global sensation.

\$7.99 ~~\$13.33~~

Cheesburger is a popular type of hamburger that includes a slice or several slices of cheese as a topping. It is a classic American fast-food item that has become popular worldwide. The basic components of a cheesburger are a ground beef patty, cheese, lettuce, tomato, pickles, onions, and condiments like ketchup, mustard, and mayonnaise. These ingredients are typically sandwiched between two halves of a hamburger bun.

Medhu Vada
Best seller
\$1.00 each

Vadai, also known as vada, is a popular and savory South Indian snack that has a crispy texture on the outside and a soft, fluffy interior. It is a deep-fried fritter made from a mixture of lentils, spices, and sometimes vegetables. Vadai is commonly served as a standalone snack or as a part of a traditional South Indian breakfast or meal.

Chicken Briyani
Weekend Special
\$11.25 ~~\$13~~

Chicken briyani is a delectable and aromatic rice dish that originates from the Indian subcontinent. It is a flavorful blend of tender chicken pieces, fragrant basmati rice, and a variety of aromatic spices, creating a symphony of tastes and textures. Chicken briyani is a celebration of flavors and textures. Each spoonful delights the palate with the perfect balance of heat, earthiness, and fragrant spices, making it a memorable and cherished culinary experience.
